DENISE COTE, District Judge:

On January 19, 2022, by motion of the petitioner Iraq Telecom Limited ("Iraq Telecom"), an ex parte Order of Attachment was entered in connection with correspondent relationships that respondent IBL Bank S.A.L. ("IBL") maintains with three New York-based banks. On February 4, with consent of the parties, a modified Order was entered. Approximately \$42 million has been attached pursuant to the January 19 Order.

On January 31, Iraq Telecom moved to confirm the January 19 Order. On February 14, IBL opposed the motion and cross moved to vacate the Order of Attachment. Oral argument was held on March 16. It is hereby

ORDERED that the January 19 Order of Attachment, as amended by the February 4 Order, is vacated as to Citibank and JP Morgan Chase.

IT IS FURTHER ORDERED that, as to Bank of New York Mellon, the January 19 Order of Attachment is vacated as to any amount greater than \$3 million.
